Once you gather all the required documents, they must be mailed to a processing center in Harrisburg where they can take up to 8 weeks before approving your license. If you would rather receive your license in less than 72 hours, you can send a complete package with your documents to Brand Transport. We courier your license application to the processing center and return an approved license expediently.

Benefits:

- Consider the difference 8 weeks could make to starting your career in real estate.
- Real Estate companies have an immediate new agent.
- \$45.00 fee is less than cost of gas, time spent driving, turnpike fees etc., than you would spend driving yourself.
